Hello,

I just wanted to tell you how much we love your channel. Our son is 3 and he loves your channel so much. He plays in his room with his zylophone stick and bangs it on his dresser and exclaims "wood block!" Then his trash can "thai nipple gong!" Then his bed "glockenspiel!"

He has an Autism Diagnosis and has really shown an interest in music and your channel is his absolute favorite. Thank you for creating all this amazing content.

Sincerely,
Danielle & Brian Brice

Hi Danielle and Brian,

Thanks for sharing this about your son. I'm happy that he is making music!! Love the dresser wood block :)

Many autistic kids have a unique/higher level talent with music. I used to teach lessons and saw some really incredible kids.

Would love to see a video or photo of him playing!

All the best,

Joe

This is our little guy Johnny. He loves the drums, and drums on everything. We haven't pulled the trigger on actual drum set yet, but we're thinking we'll get him one for Christmas.
